### **Red Cross Goal Set at 1,000 Holiday Stockings for the Troops**

September 1, 2009 – (*Naples, FL*) By any conceivable measure, Denise Rowe, volunteer and Health & Safety Assistant for the American Red Cross Collier County Chapter, has done extraordinary things for the local community. With the summertime project of collecting school supplies for over 800 homeless children of Collier County completed a couple of weeks ago, it is truly remarkable that Rowe is already organizing a “Stockings For the Troops” program at the local Red Cross. Rowe’s determination to reach this year’s goal of 1,000 stockings for the troops is as inevitable as sunsets in Naples. Residents, businesses, and organizations are being asked to start the process of collecting items as soon as possible.

“This is our fourth year and we will focus on the items that we’ve been told the troops will use and enjoy. We are hoping, too, that some individuals and groups will offer to sew and make the stockings. We will also need volunteers to help stuff the stockings,” said Ms. Rowe.

The items that are requested include:

Small Nerf footballs

Dice

Hockey socks

Anything fun for them to do

Gum

Small puzzle books

Bug Wipes
